## F O R E W O R D

This Annual, published by the "Class of 1930", was made possible through the efforts of not one certain person or small group of persons, but rather through the united efforts of every class member, the aid and advice of the faculty, and the co-operation of our parents. These are the factors which, each in their own way, have contributed to the final publication of this book.

We, the Class of '30, wish this book to mean something to us and something to others.

We feel that to us it will be in years to come the key that shall unlock for us a treasure chest filled with memories of the happy days of our high school career, with remembrances of beautiful friendships formed in our close associations with one another, and with recollections of joys and sorrows too.

To others we wish it to be something both interesting and instructive. May it be the means whereby the traditions of dear old "U. S. H. S." shall be passed on to our successors. They will see in a measure in this book the expressions of our ideals and ambitions. They may see where we have failed and profit thereby. May they strive to surpass the goal which we have set.

Then to the Alumni and others, may it be a glimpse into "U. S. H. S." We hope that this Annual will give them a true insight into the affairs of our school life.

If this, our Annual, has in any measure accomplished these, our purposes, we feel that in spite of all its mistakes and defects, it will be worthy to be called the record of the year of '29 — '30 in "U. S. H. S."

## ***DEDICATION***

To one who throughout our high school career has guided us in all our work, our studies and other class activities; to one who has always cheerfully offered a helping hand; to one who has in our Senior year, more than any other person, helped us and advised us in publishing our Annual; and to one who, by her happy companionship with us, has become one of us, we, the Class of 1930, as a token of our deepest gratitude to her, dedicate this Annual to Miss Jean Golling.

## ***IN MEMORIAM***

MARY ELIZABETH ZIMMERMAN

1911 — 1928

And then I think of one  
    who in her youthful beauty died,  
The fair meek blossom that  
    grew up and faded by my side;  
In the cold moist earth we  
    laid her, when the forest cast the leaf,  
And we wept that one so lovely  
    should have a life so brief;  
Yet not unmeet it was  
    that one like that young friend  
        of ours,  
So gentle and so beautiful  
    Should perish with the flowers.

## APPRECIATION

"All the World's a stage  
And all the men and women merely players  
They have their exits and their entrances  
And one man in his time plays many parts."

The time has arrived when the Class of '30 will begin its play of life.

We wish to express our gratitude and appreciation to Mr. Moore who was the director of the play; also Mr. Houpt, his assistant, who taught us how our ancestors gave their play of life.

Thanks to Miss Erma Stearns who advised us in the parts we should play; Miss Meyers and Miss Pease for coaching us in our dramatics; Mr. Raabe and Mr. Holland for showing us the ways of the world; Miss Mamie Stearns who made it possible to keep physically fit as we present the play; Miss Golling who helped us keep the records of our practice; Miss Slemmer who managed the office, and the Hannums who kept perfect care of the practice stage.

Again we thank the teachers of U. S. H. S. and we will show our appreciation as we present the play.

## SENIOR CLASS HISTORY

President .....	Kenneth McDaniel
Vice President .....	Dorothy Courtade
Secretary .....	Harry Day
Treasurer .....	Helen Hagenmaier
Class Motto: Nothing succeeds like success	
Class Flower: American Beauty Rose	
Class Colors: Scarlet and Grey	

"Class of Nineteen Thirty!" Who says Nineteen Thirty? Everybody, of course. For everybody knows that ever since September, 1926, this illustrious class has always been here boosting for U. S. H. S. at every chance. Have we not been as green as the greenest Freshman, as wise as the wisest Sophomore, and as humble as the humblest Junior? And shall we not be as dignified as the most dignified of Seniors?

When we started to climb the stairs of success on a hot morning in early September, not even the wisest of the Sophomores could have outwitted us. After one or two interesting class meetings, we became organized and chose Paul Roth as our captain to guide us safely through the harshly criticised Freshman year. Although this was a hard year, it will bring back happy memories to our minds in days to come.

Our Sophomore year passed quickly, but it was filled with just as many interesting events as the first. After considerable trouble, we finally elected Edwin Clark as our capable leader for that year. It was during the summer vacation that one of our classmates passed out of our lives never to return again. The memory of her will always remain with us.

Although the Junior year was the most difficult one, it was probably the happiest. It was with great difficulty that we chose a leader for that year. After comparing the ability of some of the boys, we finally chose Robert Krebs, a very able "man", to lead us through our troubles. It was at the end of this year that a big event took place. It was the Junior-Senior Banquet, and we will always cherish fond memories of it.

The long sought for year at last has arrived, and "we" are the Seniors. Kenneth McDaniel is playing the part of a good friend by leading us safely through the biggest year of all. It will not be long until we'll be out in the world choosing a career for ourselves, but we'll never forget the happy days spent in U. S. H. S.

S is for Senior so very sedate  
E is for enthusiasm be it ever so late;  
N is for the nice things in store for you,  
I is for the ideals which will carry you through,  
O is for opportunity and optimism, too;  
R is for regions unexplored beyond,  
Here's every good wish as you nobly respond.

—Ida Swartz '30

## SENIOR CLASS PROPHECY

I was bored to say the least. Paris had been kind, but writing novels and plays is tiresome. I was reading when the door-bell startled me from my reverie.

My maid admitted a visitor and two dogs. "Kate," I screamed. It was Catherine Betz. Catherine was a renowned doctor whose admiration for Boston bulls led her to cultivate them as a hobby. "I thought you were in Prague!" "Don't you know why I've come to Paris," she asked. "In this very town is a classmate of ours who has become the lion of the scientific world. We are going to see him this minute. Don't argue!"

And so we arrived at the apartment of our famous classmate. A Filipino admitted us to a sombre room, brightened only by a patch of red. Someone was in the room! The red was his hair! I looked again. "It's Edward Peters!" I cried as I sank exhausted into what I thought was a chair, but it wasn't. Kate took matters in hand. "We've come to see your marvelous invention." "Oh yes, I have utilized the principle of mind over matter in the machine," explained the inventor, literally blooming in an orange smock. "Say—how would you like to see the old gang with this machine," asked Ed. Of course we were overjoyed.

Comfortably seated, we waited for something to happen. Suddenly a huge screen was illuminated. "Hold everything," admonished the inventor.

Then—cars, people, aeroplanes, noise, dear old Broadway before our astonished eyes! Hundreds of skyscrapers appeared, and then the "Rendor", 265 stories high, flashed on the screen. The proprietor's elegantly furnished office was shown. At the desk sat Raymond Hannum, grinning at us. Then, soft music and food. The Ballroom! The hostess, attired in gorgeous evening attire, was our own Martha Layton. Someone in the orchestra was crooning a love song—"To Remember You Always." His features became more defined and we recognized Harold Miller, more handsome than ever and much more famous. He was the renowned leader of the "Miller Specials" who were carrying with them on their world tour, the clever black-face team of Charlie Jenot and Tom Strasser. "To Remember You Always" was the hit of the day. As we thought this, Helen Hagenmaier smiled gaily from the screen. So she had composed the piece!

Then the Spanish penthouse that housed the wealthy "Bachelors' Club!" The president, sporting a tiny French moustache, was perched on a table. It was Kentil Good! Near by a dignified gentleman was studying blue prints. Well! Well! Well! It was the famous architect, Thomas Brocklesby. "There's someone else over there," pointed out Kate. It was Bob Krebs, noted divorce lawyer from Reno. Strange to say he was poring over a book entitled "The Art of Courtship." Krebs' secretary, Bernice Luthy, was taking notes in another room.

An easel next took form on the screen. An artist in smock and tam was painting a landscape scene. As she turned her head and smiled, we recognized Dorothy Berg.

The "Rendor" faded to the scene of a boxing match. David Smith, announcer, was exercising his vocal powers as Ruehle Culver, heavy-weight champion, and his

U.S.H.S.

second, Harman Kinley, sat calmly in one corner of the ring. In the press box, Russell Roth was pounding the old typewriter and Bob Johnson was telling the radio world of Culver's victory.

Then—a deafening roar as a plane glided upon Roosevelt Field. Out hopped Ida Swartz, returned from her triumphant flight to Peking. Her mechanic, Luella Carpenter, took charge as an air mail between San Francisco and New York swooped down. The pilot, begoggled but debonair, was Howard Thiel. We saw them all enter a restaurant. We learned that Frederick Hill was the efficient manager. Well! Well!

At this point the Filipino brought refreshments. Kate remarked: "I must order some dresses from the Eileen Salon. They have imported a new designer. Guess who!" Of course I couldn't. "Fern Smith! And Katy Fritchie is a mannequin in the establishment, too," Kate told me. Fern had just designed a troussean for Mary E. McConnell who had had the disturbing experience of falling in love with her leading man in a musical comedy production. Too bad!

The screen was again illuminated. Palms! Oceans blue! Daytona Beach! A silver bullet sped by! Or was it a bullet? No, it was a racer with Kenneth McDaniel at the wheel. Kenny had just established a record of 432.54 miles an hour. Rather fast for Kenny. The machine was driven to its box where the mechanics, Russell Frederick and Raymond Rowland, took charge.

Suddenly it dawned upon me! We were witnessing the World display of athletic and scientific skill at Daytona. A boat race was next on the list. A green monster piloted by Bill Garner flew over the waves at 200 miles an hour to win. How good it was to see Bill's smile again. Immediately we thought of Grace Castanien. She instantly appeared writing her cooking chat for the Cleveland News. Grace led a busy life. When not writing, she was dietitian at a clinic.

Again we returned to Daytona. In the grandstand we saw familiar figures. There was Dorothy Courtade, who had won so many honors for the U. S. in the Olympic Games. Mary Lou Hunter, queenly as ever, was with her. Mary Lou had just inherited a fortune from a would-be lover and had bought a seat on the exchange. Needless to say, she was startling the old timers with her skill and success. We also found Paul Roth with his shadow, Edwin Clark. Paul lived in England and owned a stable of thoroughbred horses trained by John Swartz and Robert Little. Eddie Clark, natty as ever, was the newly crowned golf champion of the U. S. and Great Britain. We just missed seeing him play in a match at Daytona. In another section we found Margaret McNamara, internationally famous interpretative dancer. She now had a theater in Atlantic City named in her honor. "Did you know Bernice Klenzli has won renown as a beauty specialist to artists? Margaret just made me think of the subject," Kate ventured. I hadn't heard it, so it was good news.

On the screen the famous "Paradise on the Potomac" appeared. This is a colony founded by an energetic group of women pledged to a life of unwedded bliss and service. The president, Louise Halbedel, was shown in her magnificent suite. Iris Stern, newly appointed ambassador to Albania, was departing for her new work there. We learned that Mildred Smith had just offered her resignation to the colony as she was engaged to Carl Hetzel, big engineer about to superintend the construction of a super-highway in the air from Chicago to San Francisco. We

1930

1930

also saw Leo Bahl, cowboy from Minnesota, lurking about the dwelling. Recently Harry Day, prohibition agent near Miquelon and St. Pierre, was seen walking down a shady path with a prominent member of the colony. To cap the climax, Mary Louise Snyder, the treasurer, reported a deficit of \$875 in the treasury. Poor "Paradise on the Potomac!"

The colony vanished. A beautiful brick building appeared. How strangely familiar it seemed! Oh! It was the old Senior High! The office came to the screen. There at the typewriter sat Mary Leona Orians. She had remained faithful to dear old Upper while the rest of us had gone traipsing to the ends of the earth. "Turn it off before I start crying," begged Kate. The dear familiar sights vanished. With funny lumps in our throats, we were sitting again in the Paris apartment. Patiently we waited for Edward to break the spell with one of his brilliant remarks.

## JUNIOR CLASS HISTORY

Everyone has begun something, surely, at some time or other. Well then, everybody ought at least partially to understand how we, inexperienced Freshmen, felt as we took upon our shoulders the seemingly great task of making a success of our High School career. Our emotions wavered between pride—for were we not Freshmen, the all important members of the Junior High—and timidity—because it was all so new even though the surroundings were familiar to most of us; between hope—we were thrilled to think of the happy days before us—and fear, because misgivings of coming examinations and other testing times were bound to creep in. Just the same we were glad to be there and were eager to begin.

The first month of school in the fall of 1927 was saddened by the sudden death of our teacher, Miss Ruth Gregg, who was truly admired and respected by those who had previously come under her guidance. That year we chose as our president, Richard Harman, a leader in the true sense of the word.

Soon we were no longer happy-go-lucky, carefree Freshmen, but took upon ourselves the much desired title of Sophomores. We, like the proverbial Sophomores, believed that "there were no more worlds to conquer". As time went on, we realized our mistaken notion more and more; for now we were the members of the lowest class in the Senior High School and the upper class-men apparently liked to make us aware of the fact. We elected Robert Manning our small but capable president.

Now we as Juniors are still looking forward expectantly to our Senior year, but far more humbly than we did as Freshmen. Led by our president, Monroe Stevenson, we are doing our best to keep the school colors flying high.

When next year we assume the role of Seniors, we shall try our best to live up to the traditions of old U. S. H. S.

### SOPHOMORE CLASS HISTORY

In the fall of '28 one hundred boys and girls, banded together by a common goal, entered upon the four year cruise through High School. Early in the term we discovered that every ship must have a captain, so we wisely appointed Charles Milligan as the captain. His assistants were Henrietta Martin, Mary Louise Lynn and Madeline Bolish. With such officers to guide us and a capable faculty to advise us, we soon became able seamen. Thus ends the first year of our cruise.

The second year was no less exciting than the first. Eighty-nine became Sophomores, and we gladly undertook our new responsibilities. We elected Byron Warfel, Vance Danford, and Mary Jane Gaver to replace last year's officers.

The Sophomores are well represented in all school activities.

We feel that the class of '32, will make a name for itself before the last two years of our cruise are completed.

## FRESHMAN HISTORY

On the morning of September 3, 1929, eighty-five girls and boys assembled in the Junior High School Building to be known in the following school year as the Freshman Class.

Mr. Harold Cope called a meeting of this class on Friday, October 18, for the purpose of organizing. The class elected Robert Logsdon as president, Jane Moloney as secretary, and Horace Hetzel as treasurer, knowing that this group would efficiently accomplish the work set before them.

The class enjoyed a party in the Senior High School Auditorium on Friday, November 8, and was well chaperoned by teachers, who cooperated with the class to make the party a success.

The class is well represented in Band, Orchestra, and Glee Club and is confident of securing future prominence in athletics.

We are looking forward to obtaining a place in the Senior High School.

## SEVENTH AND EIGHTH GRADES

The seventh and eighth grades are the first units of Junior High and their training is important as a basis for their entrance into the regular Senior High School. Their day's schedule is divided into periods the same as the Senior High School schedule, so that the pupils are acquainted with High School methods when they reach the Freshman year.

The present eighth grade has been very well represented on the honor roll in both 1928 and 1929.

The staff of the Jnnior High is composed of the following teachers: Principal, A. O. Suber, Mr. Nelson Rall, Miss Gertrude Mittermaier, Mr. Harold Cope, Miss Lucy Hetzel, Miss Addie Schoenberger, Miss Geraldine Hoover, and Mr. Homer Huffman.

Of this number, Miss Schoenberger, Mr. Cope, Mr. Rall, and Miss Hetzel are alumni of U. S. H. S.

At the present time the enrollment of the seventh grade is fifty-four pupils and of the eighth grade is fifty-three pupils.

### **SENIOR GIRLS' GLEE CLUB**

The Senior Girls' Glee Club comprising thirty-six members organized in September, 1929, under the direction of Professor Homer E. Huffman. Two officers were selected: Mary Elizabeth Cromer, secretary, and Leah Jean Kotterman, Librarian.

The Girls' Glee Club has made several public appearances. The first was at the Methodist Episcopal Church at which time the pastor was delivering a special series of sermons. At the Christmas Chapel program in the High School, the Club offered two selections.

High School night at the Evangelistic meetings, we were honored in being asked to participate in the services.

In the Senior High Operetta, "Peggy and the Pirate", the Club members took important parts.

We wish to thank Mr. Huffman for his time and untiring efforts in making the Girls' Glee Club the happy, accomplished organization that it is. Much credit is due to our efficient pianist, Mildred Tronc.

### **BOYS' GLEE CLUB**

The Boys' Glee Club, under the faithful guidance of Prof. Huffman, has improved itself remarkably this school year. Through the united cooperation and effort of each member, it has proven itself one of the outstanding organizations of the school.

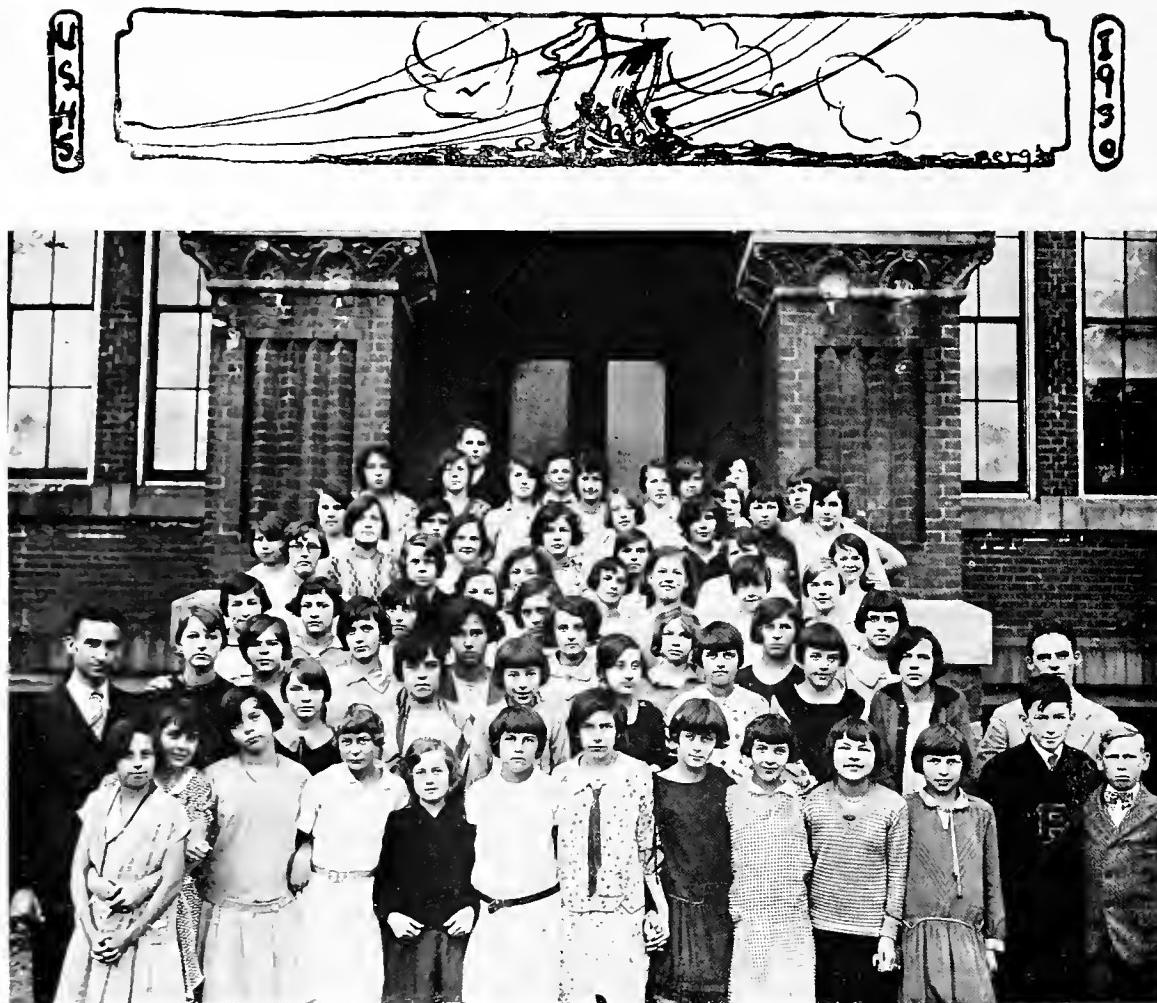

The Glee Club has sung on several occasions during the year for school activities.

Mr. Huffman is deserving of much admiration for his patience and determination to make our Glee Club a success.

We who are leaving this year will always cherish the memories of the old Glee Club.

To those who remain, we have the responsibility to make the club bigger and better than ever.

—Harry E. Day '30

### **JUNIOR HIGH SCHOOL GLEE CLUB**

The Junior High School Glee Club organized about two weeks after the school term began, under the able direction of Prof. H. E. Huffman. New books were ordered and when they arrived we tried in earnest to learn the new songs. We sang a few of these at one of our Chapel meetings.

Feb. 7, the whole chorus gave an operetta entitled, "Polished Pebbles". This proved to be more or less of a success. We must not forget to thank Thelma Krock for her patience in playing for us.

We should thank Prof. H. E. Huffman for making the chorus what it is, and also Miss Gertrude Mittermaier who planned and helped us with our costumes for our operetta.

—Margaret McNamara, '30.

### **SENIOR HIGH ORCHESTRA**

Sail on! Sail on, oh "Ship of U. S. H. S.!" Farther and farther has the ship of U. S. H. S., with a crew made up of orchestra members and Miss Geraldine Hoover as a very capable captain, sailed into the very enchanting sea called Music.

We have been improving and changing those blared and unharmonious chords into sweet melodious ones by practicing every Tuesday and Thursday mornings for one hour.

We have made several public appearances this year at churches, operettas, and other school entertainments. We also gave an evening's concert on February 28.

We wish to thank Miss Hoover for being so patient and tolerant with all of us. We wish also to thank the school for making it possible for us to purchase several beautiful selections of music and some new instruments.

We have several members graduating this year. We want to thank them and wish them all things beautiful and successful in the future.

### ***JUNIOR ORCHESTRA***

Last winter a Junior Orchestra was organized to train members for the Senior Orchestra and to give beginners an earlier opportunity for ensemble playing.

About eighteen boys and girls from the Senior High School, Junior High School, and grades joined. Rehearsals have been held each Monday and Wednesday after school. The group has done well considering the short time they have been practicing, and their hard work has made possible their first public appearance in the Musicale, April 11, given by the musical organizations of the High School.

### **SENIOR BAND**

Under the leadership of Mr. Huffman, the Band of Upper Sandusky High School has developed into a fine musical organization.

During the football season we played at all of the home games. This was our bit in boosting for the team.

The members were always willing to play whenever the opportunity came their way. During some of the basketball games, we were at our post furnishing the expected entertainment before and between games.

During the past summer we gave our best to the community with outdoor concerts.

This year there are seven members leaving at graduation. They all wish the band further success in the years to come.

—Leo Bahl '30

### **JUNIOR BAND**

The Junior Band, under the direction of Professor Homer Huffman, has made considerable progress this year.

The Band was organized a year ago in December, and is now composed of forty-one members. Practice is held on Monday and Wednesday mornings of each week. If you should chance to be in the auditorium on one of these mornings, you would wonder at the patience of our director.

Beginners are added to the Band from time to time, while others are being advanced to the Senior Band.

The Band has made several public appearances and hopes to make many more. The first public appearance this year was at a Basket ball game between Ada and Upper Sandusky, December 13.

We wish to thank Mr. Huffman for his patience and untiring efforts in leading us on the way to success.

### SODALITAS VERGILIANA

Although the day was dark and dreary and the rain was pouring about the walls and windows of the school house, the inside of the Virgil room was entirely different. Twenty-three Virgil students were rejoicing over the fact that they were allowed to organize a club. Certain conditions were enumerated to them: that they should not neglect their other studies, that only Virgil students attend the meetings, and that early hours should be kept. With solemn yeas and nods of heads the organizers proceeded. Bob Krebs became the President. His co-workers became Mary Elizabeth Cromer as Secretary-Treasurer, Mildred Troup as the Chairman of the Entertainment Committee, the twenty other energetic students, and last but not least, our instructor, Miss Erma Stearns, to whom we are greatly indebted. Much honor is due her for the club's success. During class hours she helped us through the region of the Cyclops and other difficult passages of Aeneas' Wanderings.

Our club has become known as the Sodalitas Vergiliana. At our meetings, which have been held once every month, we often became the characters of Vergil's Aeneid, if not in looks at least in spirit.

### *EL CIRCULO CASTELLANO*

On December 18, 1929, Miss Pease announced that we might organize a Spanish Club. The classes were very interested and immediately held a meeting to choose officers for the organization. They elected as President, Catherine Gillen; Vice President, Mary Elizabeth Peters; Secretary, Gladys Iams; Treasurer, Mary Leona Orians.

We decided to name our Club, "El Circulo Castellano." The object of our organization is to learn more about the customs and people of Spain.

The meetings are held every month with a committee of six serving each time, and other members offering entertainment. Readings, songs, stories, etc., are presented in a very pleasing and efficient manner. Each member has a part in making these meetings entertaining as well as educational.

Miss Pease, our Spanish instructor, is very capable and efficient and we appreciate her patience and everlasting efforts in teaching us to read and write Spanish.

This year is the first time that the direct method has been used in our school in teaching any foreign language and we are doing our best to make it a success.

The members of this organization wish every success to the future members of "El Circulo Castellano."

### P. W. C.

On my way to Shorthand Class one day in November, I overheard a conversation which interested me very much, for it was about organizing our Senior Shorthand Club, the P. W. C.

Miss Golling, our very efficient and capable teacher, was being appealed to and later, during our class period, she discussed its possibilities with the enthusiastic class. So it happened that on November 26, 1929, our P. W. C. was organized with Mary Leona Orians as President, and Ida Swartz as Secretary-Treasurer.

Contrary to popular opinion, P. W. C. does not mean Pigs Want Clover, but the Phonetic Writers' Club. The object of our club is to form a familiar acquaintance with correct business procedure and various business practices.

Owing to the fact that the class is small, meetings are held but once a month. We surely hope the future P. W. C.'s will enjoy their club as much as we have ours.

### GIRL RESERVES

Shortly after school commenced the Upper Sandusky Girl Reserves Club began its activities for the year of 1929-1930 with a "Gypsy Hike". At this time the girls interested in joining our group were our guests.

The advisors for the year were: Mrs. M. A. Mitchell, Chief Advisor; Mrs. F. B. Main and Miss Erma Stearns, assistants. The officers were: President, Dorothy Berg; Vice President, Margaret McNamara; Secretary, Catherine Good; Treasurer, Jane Neumeister.

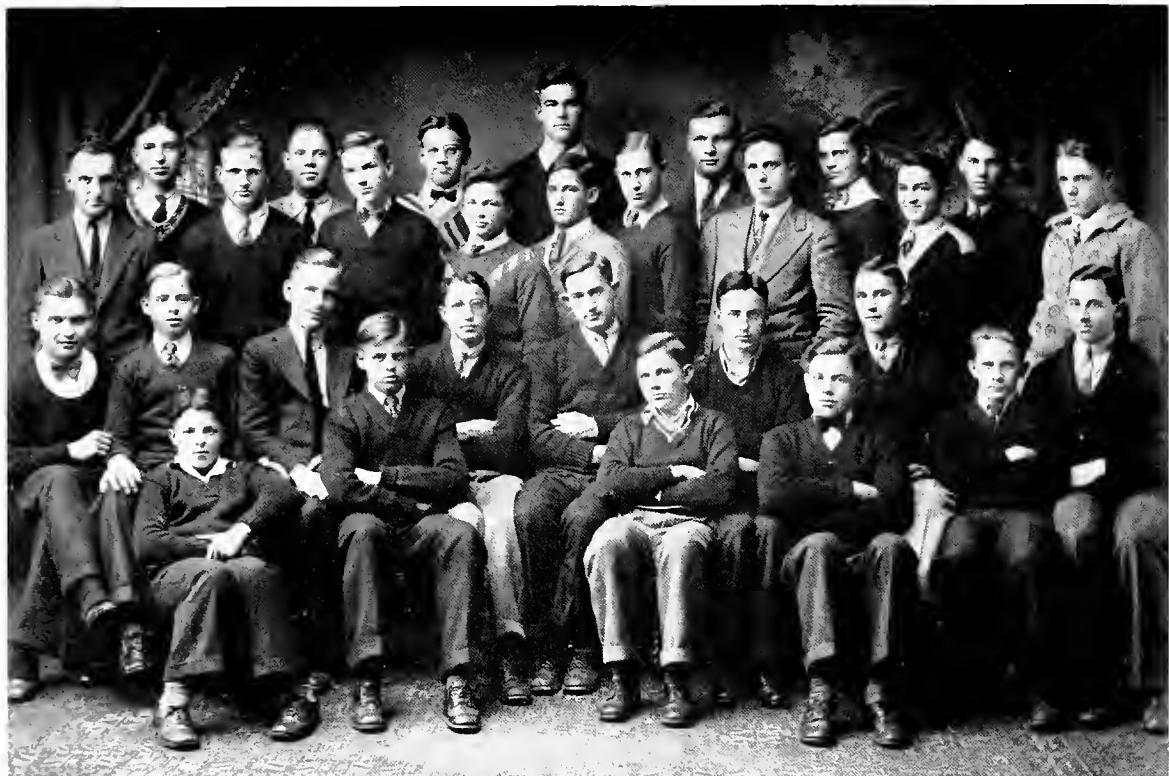

The program for the year, built around the theme of "God's Great Outdoors", consisted of many discussion meetings, during which everyone gave her opinion on the subject under discussion.

The Girl Reserves sponsored a number of social activities, among them a Valentine Musicale for our mothers, and we also enjoyed a "Backward Party" with the Hi-Y.

We gave a Christmas pageant and sponsored a Chapel at the School featuring a G. R. Ceremonial.

The Girl Reserves are endeavoring to raise the morals and standards among the girls. The slogan which we stand by to our utmost is, "To face life squarely" and our purpose is "To find and give the best."

—Martha Layton '30

### III-Y ACTIVITIES

Following the traditional custom of former years, a group of enthusiastic boy students early in September assembled at the park where a mystery meeting had been planned. At this meeting various committees were appointed, and after some discussion, it was decided to hold a regular meeting every Wednesday evening at the Y. M. C. A.

The first week in October the local group entertained the members of the football squad one evening after a hard workout. The menu consisted of a bean feed. After refreshments were served, Mr. Barrett, a member of the personnel of the Ohio Oil Company of Findlay, Ohio, was introduced and gave an inspiring address, choosing as his subject the five C's: courtesy, courage, cooperation, concentration, and character. The address met with universal approval.

At a later date, five local Hi-Y members journeyed to Tiffin where they attended the 26th Annual Conference of the Northwest District. After this venture and examinations over, the local group decided to sponsor a Wyandot County Conference. This Conference was honored by the presence of State Secretary of the Hi-Y, Mr. V. E. Donaldson, who is also director of Camp Nelson Dodd. Mr. Donaldson gave a very interesting address.

It was also on this date that the local group held chapel in the local High School Auditorium. Altogether the local group has had one of the most successful years of the organization. Much credit is due to President Kenneth McDaniel for his efforts in behalf of his fellow members.

The graduating members hope that the club will enjoy even greater membership in the coming years, and be endowed with the same spirit we have enjoyed.

## **SYNOPSIS OF FOOTBALL SEASON**

The season opened with Findlay on their field. Findlay was victorious, but this only made our team more determined to win their next game. The season closed with a victory, having again won the game with Carey. Although the ground was covered with snow, and a cold wind was blowing over the field, both teams played a very good game.

The team wishes to thank the student body as a whole, also the band and the teachers, for their support. Nor must we neglect to express our appreciation to the Faculty Manager, Prof. L. H. Houpt, and assistant, Mr. Derrickson.

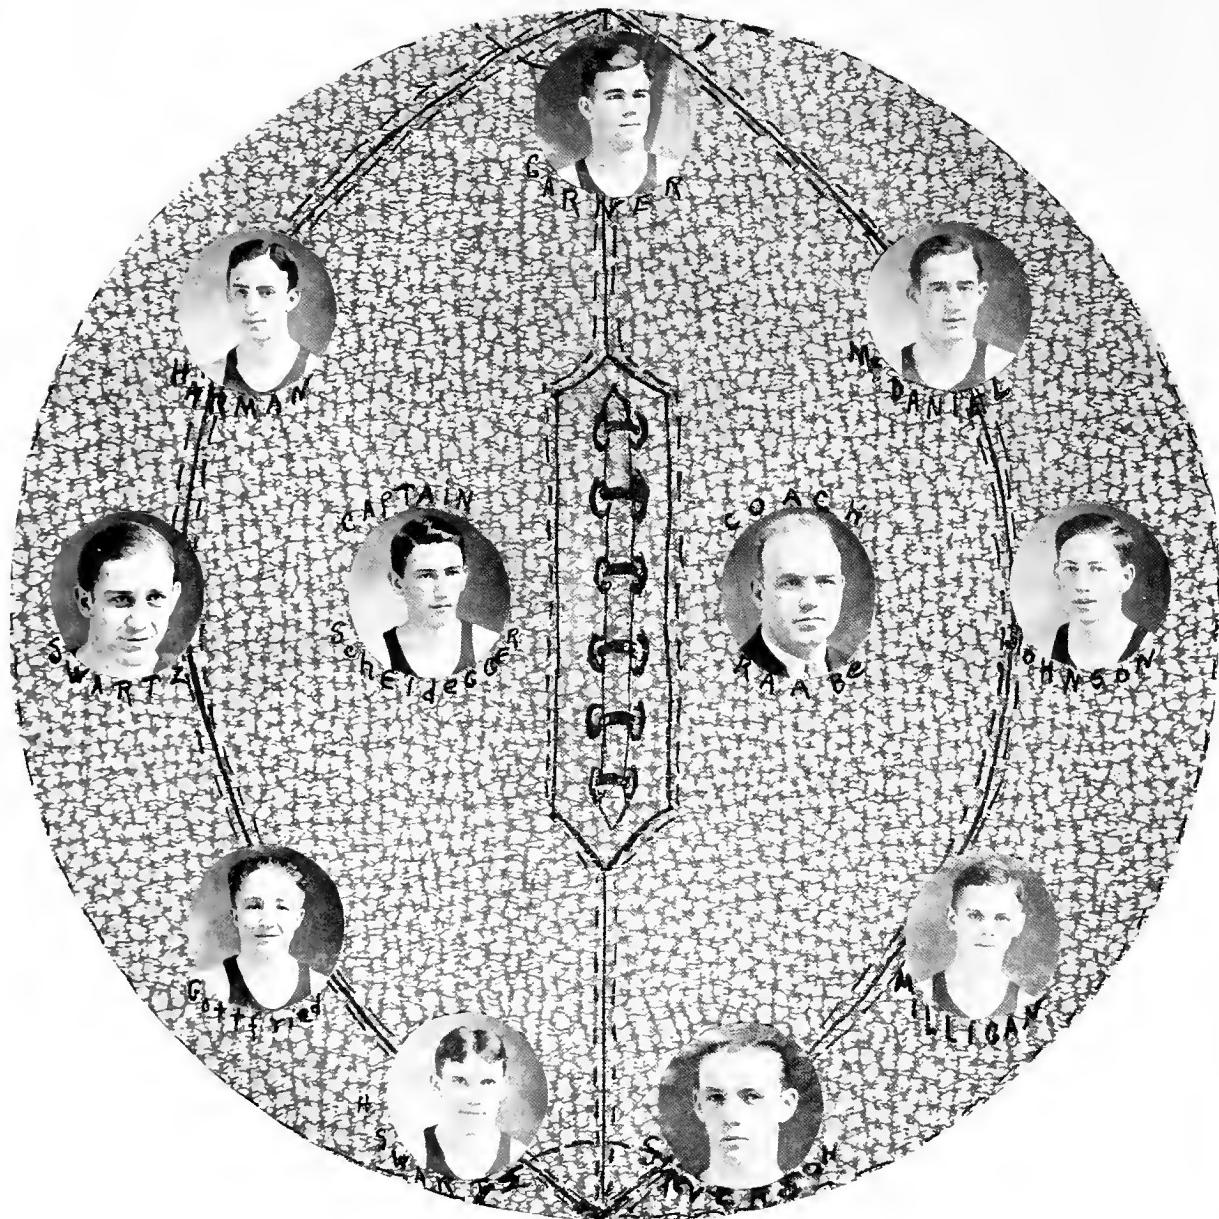

We also must remember that much credit is due Coach Raabe for his splendid work with the team. He not only told them what to do, but showed them how to do it by practicing with them every night.

## ***BOYS' BASKET BALL***

Coach Raabe returned to us this year after a year's absence and found thirty-five boys out for the first Basbelball practice. Among this number were Harman, Scheidegger, McDaniel and Garner from last year's team.

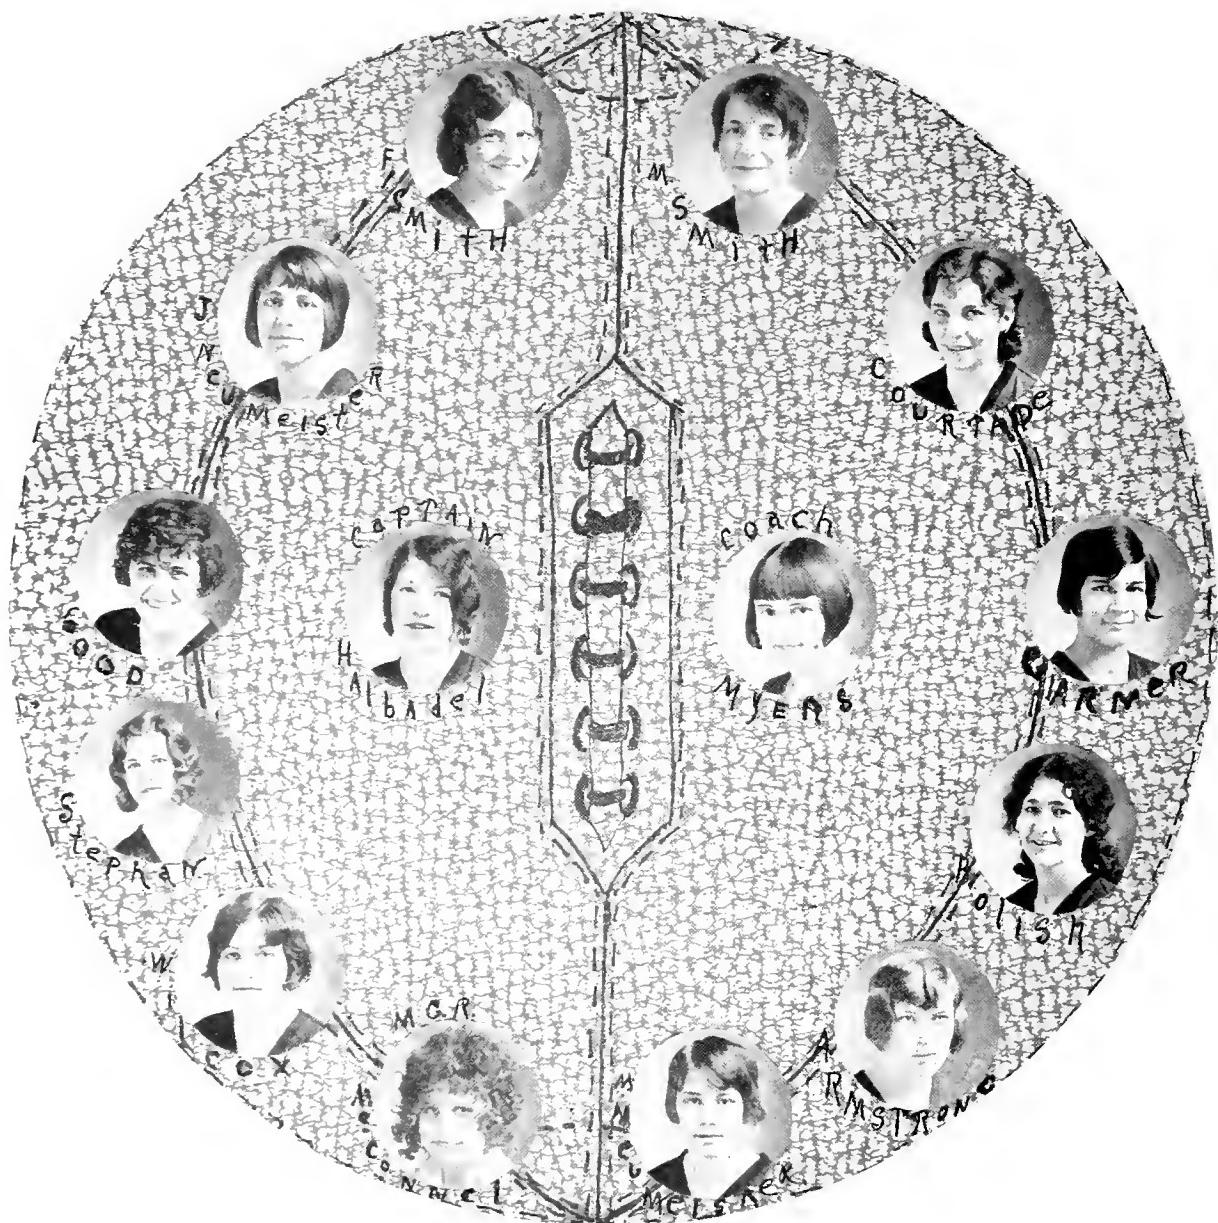

The season was inaugurated in November by a game with the Ada High cagers, which resulted in our first victory of the season. Much enthusiasm was shown and the team was given good support by the local fans.

Although we lost some of our games by a close score we learned to take our losses as good sports should. However, we can still say that U. S. H. S. has never lost to her rival and neighbor, Carey.

Our season was not so successful this year, having won 8 and lost 6 games. But we were never outclassed and always did our best. We were beaten by Woodward High of Toledo in the tournament. However, we had them beaten up to the fourth quarter and had we not slowed down at that time the game would have been ours.

We wish to give honorable mention to those players who worked so faithfully during the week and then sat on the bench during the game, for where could the team have gotten without them? Also to Wm. Switzer who, as Manager, was able so see us safely through another year. We thank the business men and rooters of Upper Sandusky for their support. Especially do we thank our Coach for all the effort he put forth to have a winning team and for all the things he helped us with during the season.

## **GIRL'S BASKET BALL FOR 1930**

The Basket Ball Squad of Upper Hi started out with a "Bang". Forty-two girls came out to practice the first night. Everyone was excited about the new Coach, Miss Meyers. Of course everyone knew by this time how she was as a teacher—but no one knew how she was as a coach. They soon found out, however, that the old adage was true: "A word from the wise is sufficient". In time many dropped out but there were still enough for three teams. The night the coach selected the first team to play in the Ada game, surely was a fatal one. Everyone's heart was beating fast. We won over the Ada girls by three points. Preparations began for the Carey games soon. We won by seven points. The pride of all U. S. H. S.! We hope we may win next year, too.

This sadly ends the Basket Ball career of four Seniors: Louise Halbedel, Fern Smith, Dorothy Courtade, and Mildred Smith. We hope that all the others have as good a time as we have had during our years of Basket Ball.

"Louise", who usually acted as Captain, always played her best as forward. When she was too closely guarded she would throw the ball to "Jane or "Kate" who almost never missed a basket when they shot. "Tuffy" played guard and also jump center. She could out jump nearly all of her opponents and when she played guard she absolutely could not be beaten.

Then comes Dorothy Courtade. Although this was her first year out for Basket Ball, she made the team most of the time. She was always there, no matter where; on the floor, or in the air.

"Fern" was one of our best guards. She was usually referred to as being "dirty". But she never went out on fouls. Then I'm next, being just another one of those "dirty" guards.

We also have many very good subs:-Madeline Bolish, Helen Stephan, Helen Wilcox, Mary Neumeister, and Ruth Armstrong. These girls were always faithful and willing to fight when they were sent into the game.

Then here's to our manager, "Sadie", always at hand with her "first aid kit". We want to thank her for mending all our broken bones, as it sure was needed.

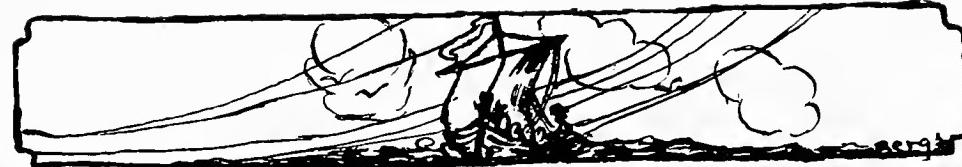

We, the Seniors of 1930, bequeath all our knowledge of Basket Ball to the team of 1931. We hope they may have a winning team and much luck during the year of 1931.
